A Day on the Links in Celebration of Life

A Day on the Links in Celebration of Life

Each year we gather on the golf course to celebrate life and raise funds through the generous donations of those who share our belief that life is worth enjoying for as long as each of us are living.

The Southern California Hospice Foundation was established in 2002 with a vision: to open a loving home for the last stage that serves as a live-in facility for end-of-life care. We are thrilled to say that the Heavenly Home, also known as Jerry's Heavenly Home, recently celebrated its two year anniversary! Your generous donations will allow us to continue making a profound difference for the terminally ill.

Every day, we work with terminally ill patients during their darkest hour, giving them a reason to smile again. For those who are struggling financially, food is given and overdue bills are paid. Homeless patients are clothed and provided with shelter. Veterans are honored and given a final salute. Families are reunited to say their goodbyes. Children and adults alike are granted their last wish. Grieving families gain support from grief workshops. Beyond that, education about hospice is provided through tabling events, healthcare fairs, PSA announcements, conferences, and speaking engagements. All of these efforts contribute to our goal of enhancing the quality of life for the terminally ill.

Our Annual Golf Tournament is a place where you or your company can become active members of the SCHF family as we offer a forum to mingle with individuals of common backgrounds who share in the belief that hospice is a vital and indispensable service for our community. Your participation and support allow us to continue to celebrate life and

restore hope throughout the years to come.

Newport Beach Country Club

Southern California Hospice Foundation will be holding its 18th Annual Golf Tournament at the exclusive Newport Beach Country Club, CA. Membership at the Club is by invitation only and sponsorship by multiple current Members is required. The Newport Beach Country Club is also home to the Hoag Classic, PGA TOUR, which is televised domestically on the Golf Channel, and internationally on PGA TOUR television partners overseas. So bring a guest, client, or colleague and enjoy the ultimate Southern California golfing experience.

Participation

Please join us at the 18th Annual Southern California Hospice Foundation Golf Tournament at Newport Beach Country Club as an individual player, sponsor, or both.

Every level of sponsorship greatly benefits SCHF in its mission to help hospice patients throughout the next year. Your donation allows us to fulfill needs of patients receiving hospice care, grant dying wishes, educate our community about end-of-life issues, and support our amazing caregivers. The business and personal rewards received through your association with SCHF are beyond measure. Because of you, patients are given dignity, experience respect, and feel truly valued. You can't put a number on that.
